

TGC Youth Ministry

Health Protocols for MLY to meet outside together

1. **MLY will meet 2 & 4 Sundays outside 4:00-5:30**, by the Walkway or on the Church Yard
2. In advance proper distancing will be clearly marked at 10 feet apart
3. For arrival and exit, those attending will be instructed to drive to the large back parking lot lower level (parking lot closest to the church). There will be 3 different marked zones so proper distance isn't broken on arrival or departure. Youth will be required to wear masks while exiting their cars and until they are in their specific area. The same will be true when returning to their cars. Youth Leaders will be there to guide drivers and youth.
4. The church will be closed, however, the bathroom can be used, as long as it is one at a time, hands washed, and hand sanitizer is available.
5. No carpooling unless driving together from same family. If the youth has been sick, please do not attend. If your child has poorly controlled asthma or prior ICU admission for asthma, other chronic lung diseases, etc., please stay safe at home.
6. All participants should wash hands thoroughly when you get home

What to bring:

- A. Chair or towel/blanket to sit on
- B. Bible, something to write with, paper
- C. Mask for arrival and departure
- D. Water bottle with water
- E. Bring your smile
