Worship

"The hour is coming, and is now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people to worship him."

- John 4:23

We are made to **worship** God with our praise, reverence, and thanksgiving. Although we often think of worship as about what happens in church on Sunday morning, we should always be communing with and praising God!

While worship can take many forms, all involve us using our whole selves to honor and celebrate God for who He is and what He has done. Through worship, we enter into and experience the presence of God. As we learn to worship, we begin to "taste and see that the Lord is good" (Psalm 34:8). Growing in worship is an essential part of growing in our connection to and experience of the Lord as we seek God's face both individually and as a community.

Consider how you might worship God outside of Sunday.

Pray about opportunities to invite others into worship.

Respond by finding places in your day to seek God's face!
