

Culture of Discipleship Bible & Theology

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect."

– Romans 12:2

Meeting Jesus in the Word of God is a crucial step in forming and maintaining a relationship with God. The Lord uses His Word to speak directly to His people, revealing His nature, giving instruction, providing direction, and offering healing. Therefore, an exposure to the Bible's Old and New Testaments and how to understand them is a vital part of discipleship.

Being grounded in **Bible and theology** helps us to see the world as God does. For this reason, the word of God, the foundational beliefs of our Christian faith, and the broader context of church history are vital tools for standing firm in one's faith (Ephesians 4:14). We are called to love God with all of our *minds* so that we can rightly discern God's voice (2 Timothy 2:15). Studying and meditating on God's word creates opportunities for growth and transformation.
